

CENTRE FOR CHRONIC DISEASE CONTROL

11th October 2019

TENDER NOTICE

Centre for Chronic Disease Control (CCDC) invites sealed tender offers from eligible manufacturers/authorized distributors/reseller for the supply of **DNA Methylation EPIC Array chips and Sample processing services, including bisulphite conversion** in the office of the Undersigned at the Second Floor, C-1/52, Safdarjung Development Area, New Delhi 110016.

The vendors intending to bid may submit their bid/tender by Friday, the 25th October 2019 at 5 pm to:

Manager – Admin

Centre for Chronic Disease Control (CCDC)

2nd Floor, C-1/52, Safdarjung Development Area

New Delhi 110016

TENDER SPECIFICATIONS:

Sealed tenders are invited containing two types of bid i.e. Technical bid and Financial bid.

The technical bid should consist of all technical details including the manufacture of the array chips, model specifications of the platform/machine and array chips, country of origin along with term and condition and delivery schedule. It should be in a sealed envelope with clear marking as “TECHNICAL BID”.

The financial bid must contain item wise price separately for all items mentioned in the technical quotation, terms and condition, mode of payment and delivery schedule. The financial bid may also include custom duty and clearance charges. It should be in a sealed envelope with clear marking on the left-hand side as “FINANCIAL BID”.

Both of these sealed “TECHNICAL BID” and “FINANCIAL BID” must be put in a bigger envelope, which should also be sealed and superscribed. Separate envelopes must be used for each item mentioning its name. Non-compliance of the above may result in rejection of the tender. The word "**Tender for Methylation EPIC ARRAY chips and Sample processing**

services" should be written prominently on the top of the envelope. Kindly mention chip or data or software **delivery time** after the reception of purchase order. Payments will be done as per the rules of the institute.

Vendors should submit all the required documents on their letter head. No separate Performa will be provided to them.

TERMS AND CONDITIONS FOR TENDER:

A) The vendor should

- (i) Have reputed background and should be established in business for at least five years.
- (ii) Have executed at least three projects in last five years.

B) The vendor should submit:

- (a) three years income tax return
- (b) Complete user list with name, address and telephone number.
- (c) Manufacturer authorization form.
- (d) Company profile for at least five years.
- (e) Certificate that company is not blacklisted by any government organization.
- (f) Details of support and service centres.
- (g) Warranty compliance statement.
- (h) In case there is no other manufacture of **Methylation EPIC ARRAY chips and Sample processing, the vendor should submit the "Proprietary Certificate"**

Name of ITEMS: EPIC ARRAY chips and its processing including bisulphite conversion

Technical Specifications:

S. No.	Name of the item	Sample size
1.	DNA Methylation Array: "Infinium Methylation EPIC Array" (with all required reagents and bisulphite conversion). This array allows to quantitatively detect the methylation level of over 850,000 human CpG positions throughout the genome with single nucleotide resolution.	192

Order will be given in **two parts (96 samples each)*

*** High-quality data is required (**call rate of at least >98% of the combined total samples**)*

For DNA methylation services, it is desirable that the service provider will give access to project researchers for monitoring the quality of data generated in their laboratory

*@It is desirable to the have the equipment in **Delhi NCR region for easy monitoring of the work***

ALL QUERIES SHOULD BE DIRECTED TO OUR EMAIL ID:
